EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 2, line 4, following the phrase "mode for each said", the word "mage" has been replaced with --image--.

Allowable Subject Matter

2. Claims 1-40 are allowed.

3. The following is an examiner's statement of reasons for allowance:

The present application is a divisional of parent application 09/402,467 which has been patented. Specifically, the notable inventive features of the present invention as reflected in independent claims 1, 22, 23, 24 and 37 are, inter alia, selecting the spectral components of a "polychromatic" illuminating beam; generating a plurality of image planes, each composed of the selected spectral component for the illuminating beam and the image beam that differ from other image planes; mapping one or a combination of said image planes to one of a plurality of color planes; and combining the color planes to provide a color image for display to a user. These above-mentioned features are neither anticipated nor rendered obvious by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
